And they came to him, mothers of Judah, Dark-eyed and in splender of hair, Bearing down overshoulders of beauty, And become built hidden, half bare; And they brought him their babes and besough him
Half knowling, with suppliant air,
To bless the brown cherubs they brought him,
With hely hands laid in their hair.

Then reaching his hands he said, lowly, "Of such is My Kingdom;" and then Took the brown little babes in the holy White hands of the Savier of men;

Held them close to his heart and carese'd them, Put his face down to theirs as in prayer, Put their hunds to his neck and so bless'd them, With baby hands hid in his hair.

School Institutes.

The educational statutes providing for County School Institutes are equally commendable with unv other tenet of the Common School System. The system as such, to be desimbly and succesfully promotive of education, must peessarily have imperative regard to the required and essential preparation of its tenchers. Hence, the Tencher's School or the "School Institute.
